

## We are proud to be Clinically Clean using the Air Essentials® Aseptic Plus+® sanitization program.

The safety, health and wellness of our residents and staff continues to be our top priority. To provide further protection during the COVID-19 crisis and beyond, we have implemented a sanitization program using Aseptic Plus+, by Air Essentials.

### WHY DID WE CHOOSE ASEPTIC PLUS+?

- Kills 99.999% of bacteria and viruses like MRSA, H1N1, Enterovirus, Staph, and CORONAVIRUS
- EPA registered, hospital grade disinfectant ensuring our communities remain Clinically Clean
- NSF certified and safe for use on food contact surfaces
- Eliminates legionella, odors, mold, mildew, and other allergens
- Fragrance-free, non-irritating and non-corrosive
- Ecologically safe and no rinse required

Ask any of our team members about the safety protocols and strict cleaning regimens used by our communities to help keep our residents safe and healthy.
