

Introducing our new respite care program!

At The Wellington at North Richland Hills, our respite care program provides a transitional apartment for seniors who are not quite ready to return home after a hospital or rehabilitation stay. In addition to a fully furnished apartment, seniors enrolled in this program also have full access to our community's amenities and services, including 24/7 staffing, delicious and nutritious dining and scheduled transportation. Our flexible agreement includes a minimum 2-week stay and then allows our guests to remain for any length of time.

- 24-hour staffing
- Scheduled courtesy transportation
- Access to a choice of home health agencies
- Three meals served daily
- Daily activities and crafts
- Monthly singers and entertainers
